The reply filed on April 28, 2008 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): while an election was made with regard group A, no election was made of a required species from group B. In order to be fully compliant with the election of species requirement, as stated on pages 3 and 4 of the Office action of September 24, 2007, applicants must elect a specific species from group B as stated on pages 3 and 4. The applicants are notified that any claims not reading on the elected invention/species will be withdrawn from consideration. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
